COUNSELING

<p>Action 1.1.4 The Counseling Division will increase the number of service area, first-time students who apply, complete orientation and assessment during the first month of open application.</p>	<p>SARS Call software and communication hardware, campus website, CCC Apply application, staff for high school presentations.</p>	<p>Stewart Kimura, Greg Menchaca, Rolando Sanabria</p>	<p>Fall 2013-Spring 2015</p>	<p>More service area, first-time students will complete application, the orientation (and receive minimum score on exit quiz) and assessment during the first month of open registration.</p>	<p>Using fall 2011 and spring 2012 as a baseline for comparison, in fall 2014 the data show a 156.63 percent increase in unduplicated assessments from fall 2011. In spring 2015 the data show a 30.66 percent increase in unduplicated assessments from spring 2012. For</p>
---	---	--	------------------------------	---	---

					orientations the increase from fall 2011 to fall 2014 is 106.45 percent and from spring 2012 to spring 2015 a 100.36 percent was experienced.
<p>Action 1.1.5 The Counseling Division will enhance security and functionality of an online math pre-test tool/website.</p>	ACT technical staff, campus web servers.	Matriculation Coordinator	Fall 2013-Spring 2015	Security of math pre-test website will be increased to mitigate vulnerability to “hacking,” functionality of website will be repaired.	The website was moved to a campus server. A limited number of staff have been granted admin rights to control security as well.
<p>Action 1.1.6 The Counseling Division - Career & Life Planning Center will enhance presentations for Freshmen Orientation.</p>	CACareerCafe, CLPC Website, FC Catalog, SB1456	Career Center Coordinator	Each Fall Aug 2013-2015	Students will develop awareness of Career Planning Process to assist in decision-making of academic/career goals.	In Fall 2014, 26 participants completed an evaluation: 100 percent indicated presentation the information was (1) informative, (2) answered their questions, and that (3) the participants would recommend presentation to other students. Content of the presentation has since been incorporated in pilot

					SSSP workshop, "Uncertain About Your Major?" for 2015.
<p>Action 1.1.7 The Counseling Division will educate high school special education staff, parents and students about necessary readiness criteria to be successful at a credit institution so these can be incorporated into the students' transition planning.(Post SB 1456 implementation)</p>	Additional DSS counseling hours to create content	DSS Director and DSS Counselor.	Fall 2014 – Fall 2015	Students with appropriate college readiness skills will be more successful – resulting in high success and completion rates in DSS students overall.	Related correspondences were sent via email and USPS to all feeder high schools. Recipients were principals, school counselors and special education department chairs. All were invited to bring students to FC for outreach presentations by DSS counselors of which 15 classes participated. DSS website was updated and is current on readiness criteria and transition of special education students to FC.
<p>Action 1.1.8 The Counseling Division will design and implement new and creative methods to address basic skills deficiencies in DSS students.</p>	Additional DSS instructional staffing to develop and implement.	DSS Director, DSS instructor	Fall 2014 – Fall 2015	Improve DSS student success and completion rates in Basic Skills courses.	Additional instructional support was offered through the Adaptive Computer Lab. Approximately 15 new workshops were

					developed and presented to DSS students.
FINE ARTS					
<p>Action 1.1.9 Fine Arts will recruit representative faculty to serve on the Student Success and Basic Skills Committees and engage in developing new strategies for increasing awareness for the needs of under-prepared students in Fine Arts.</p>	Time	<p>Bob Jensen Jim Dowdalls (Art) Tony Mazzaferro (Music) Steve Pliska (Theatre)</p>	<p>Summer, Fall 2013 Spring 2014</p>	<p>Improved student degree and certificate rates among under-prepared students</p> <p>Improved faculty advisement strategies and teaching strategies</p>	<p>Theatre Department faculty, Timothy Espinoza, is currently leading Fine Arts faculty involvement on the Student Success Committee. Fine Arts program review data consistently demonstrates that there is no achievement gap in Fine Arts.</p>
<p>Action 1.1.10 The Fine Arts Division will use Centennial events to celebrate student success stories to encourage under-prepared students to become successful college students</p>	Centennial budget	<p>Bob Jensen Andrea Hanstein Stephanie Reyna</p>	<p>Summer, Fall 2013 Spring 2014</p>	<p>Improved student motivation</p> <p>Increased awareness of successful role models for student success in specific college programs</p>	<p>Through video, live events, and posting to the Centennial website, the Centennial team celebrated inspiring student success stories spanning 100 years.</p>

HUMANITIES

<p>Action 1.1.11 The English Department will conduct faculty-led workshops focusing on best practices.</p>	<p>None requested</p>	<p>English Department Coordinator</p>	<p>Planning and implementation during Fall 2013 and Spring 2014.</p>	<p>Positive survey results of department members, who participate in the Best Practices Discussion Group and a summary report during a department meeting.</p>	<p>Completed Spring 2014: Supported by the Basic Skills Office, English Department, members held six workshops for faculty as part of the Basic Skills Teaching and Learning Certificate.</p>
<p>Action 1.1.12 The English Department will increase the number of faculty trainings to teach the pilot accelerated composition course.</p>	<p>None requested</p>	<p>English Department Coordinator</p>	<p>English Department faculty will train through the “Community of Practice in Acceleration” statewide group June 29-July 1, 2013. More faculty teaching sections of accelerated English in Spring 2015.</p>	<p>An increase in the number of students participating in the acceleration pilot.</p>	<p>The department has offered training on its accelerated-English course two summers in a row to expand the number of instructors prepared to teach the course. Between fall 2014 and fall 2015, the number of sections of ENGL 099 F offered went from nine to 16.</p>
<p>Action 1.1.13 The ESL Department will engage in a dialog with the Counseling Division on placement considerations.</p>	<p>None requested</p>	<p>ESL Department Coordinator and Faculty</p>	<p>Fall 2013 – Spring 2015</p>	<p>There will be an increase in the number of students taking the ESL placement test, which in turn will result in students being correctly placed in ESL classes rather than</p>	<p>The ESL Department has met with Counseling on several occasions to discuss the information which ESL students receive both before and after they take the placement exam. The</p>

				English classes.	department has provided Counseling with extensive input which will be implemented for the fall 2015 semester.
<p>Action 1.1.14 The Humanities Division - ESL Department will implement and evaluate the success of two Directed Learning Activities for ESL 186 F.</p>	Assistance from the Institutional Research Office.	ESL Department Coordinator and Faculty	Fall 2013 – Spring 2015	Increased success rate of ESL 186 F students completing DLAs. Higher performance on classroom measures of skills covered in DLAs.	In spring 2015, 88 percent of students surveyed in ESL, ESL 186 F reported that they found both DLA 1 and DLA 2 to be either helpful or very helpful and felt they had a better understanding of how to integrate quotations into their writing and produce a works cited page.
<p>Action 1.1.15 The Humanities Division - Reading Department will continue to develop and research accelerated curriculum in reading and pilot the concept in Spring 2014.</p>	Basic Skills Initiative support for attendance at relevant workshops or conferences.	Reading Department Coordinator and Faculty	Fall 2013- Spring 2014	Curriculum development, planning, and piloting of a department accelerated course.	The Reading Department has developed a pilot accelerated reading course which allows a student, upon successful passing, to move into READ 142 F. This course has completed its second semester of piloting and will continue to be piloted during the

					2015-2016 academic year. The official course outline is now in the process of moving through Curricunet and will be implemented as a new accelerated course for the Reading Department in the fall of 2017 or 2018, depending on the curriculum process.
Action 1.1.16 The Speech Department will conduct workshops on teaching strategies in department meetings.	None requested	Speech Department Coordinator and Faculty	Fall 2013	Updates to Curriculum in Six-Year Review.	The department has conducted two Friday trainings and the next plan includes training on the implementation of new writing requirements for SPCH 100 F.
Action 1.1.17 The Student Success Committee will undertake an initiative that will focus on incorporating habits of mind for success into instruction and student services.	College general funds for supplies (\$1000), honoraria for speakers (\$500), and web design services (\$1,500).	Student Success Committee Co-chairs	Fall 2013-Explore Spring 2014-Pilot Fall 2014-Implement Spring 2015-Evaluate	Students will be better prepared for courses across the curriculum.	During fall 2014, the Student Success Committee rolled out the Habits of Mind initiative. Events were held each month during the academic year. This initiative has been passed from the Student Success Committee to the

					Staff Development Committee for ongoing training and implementation.
<p>Action 1.1.18 The Student Success Committee will work with the Staff Development Committee and the Basic Skills Committee to create a sustained professional development program for new faculty.</p>	Adequate support for the Staff Development Office.	Student Success Committee Co-chairs with assistance from the Basic Skills Co-chairs and Staff Development Coordinator	Fall 2013-Spring 2014-Planning Fall 2014-Implement	Faculty will be better prepared to teach FC students.	During the 2013-2014 school year, 10 new full-time faculty members went through the New Faculty Seminar. During the 2014-2015 school year, 11 new instructors completed the program. For fall 2015, it is anticipated that 45 new full-time instructors will start the program.
LIBRARY/ LEARNING RESOURCES, INSTRUCTIONAL SUPPORT PROGRAMS AND SERVICES					
<p>Action 1.1.19 The Transfer Achievement Program will require TAP students whose placement is below READ 142 F to take a reading class.</p>	Extended day budget for course sections.	TAP Planning Committee Carol Shier, Coordinator	2013-2014: Add additional section of READ 056 F and seats in READ 036 F, READ 056 F and READ 096 F.	Increased student success and retention. Additional seats in reading courses available for TAP students.	TAP has established a policy for students who want to participate in the program to take an applicable reading course if they score below the READ 142 F level. An additional section of READ 056 F was

					added.
<p>Action 1.1.20 The Transfer Achievement Program will identify strengths and weaknesses of the program in order to drive improvement.</p>	<p>Cohort tool or other tools in Banner and time provided by Institutional Researcher.</p>	<p>TAP Planning Committee Carol Shier, Coordinator</p> <p>Institutional Researcher</p>	<p>Fall 2013 Request provided to Institutional Researcher Spring 2014 Review of data</p>	<p>Based on what works, develop strategies for improvement.</p>	<p>The TAP Planning Committee is working with the institutional researcher to get accurate statistics on TAP students related to success, retention, persistence, and transfer as compared to the general FC population whose placement results are similar.</p> <p>Members of the TAP faculty and Planning Committee have developed and offered a TAP Summer Academy for sophomores. The goals of the Academy are to foster continued success in courses and transfer.</p> <p>The TAP Supplemental Instruction, SI, component now</p>

					<p>works in collaboration with the FC campus SI Program.</p> <p>TAP's current model will change in fall 2015. The new model will continue to require students attend SI. Facilitators will benefit from training specific to TAP as well as campus SI training.</p> <p>TAP developed a recruitment video. Previous, successful recruitment practices are not available, and because of this, new strategies must be implemented.</p>
<p>Action 1.1.21 The Library will assess its technology program based on the identified SLO.</p>	<p>Library staff for the distribution of the survey to library technology users.</p> <p>Librarian time to create and distribute assessments, collect and analyze data, and implement changes.</p>	<p>Circulation and Systems librarians.</p>	<p>Fall 2014: Write a survey assessing library technology program.</p> <p>Survey library technology users (every fourth semester).</p>	<p>Add results to library technology plan to provide support for future library technology budgeting and purchasing.</p>	<p>In the spring of 2015, the campus technology plan replaced aging student desktops and laptops (those five years and older), which addressed issues related to the fall 2012 survey.</p>

			<p>Assess results.</p> <p>Spring 2015: Revise library technology program if results warrant and funds allow.</p> <p>Implement changes to library policies, as necessary.</p>		<p>Additionally, upon the request of library instruction, four rows of research area computer images were revised, requiring students' log-in. One row was locked down, looping to the library databases page and 12 staff computers were replaced.</p>
<p>Action 1.1.22 The Library will assess its website usability based on the identified SLO.</p>	<p>Librarian time to create and distribute assessments, collect and analyze data, and revise website if results warrant and funds allow.</p>	<p>Systems Librarian.</p>	<p>Fall 2014: Write a survey assessing library website usability.</p> <p>Survey library website users (every fourth semester).</p> <p>Assess results.</p> <p>Spring 2015: Revise library website if results warrant and funds allow.</p>	<p>Improve and/or strengthen the usability of the library website.</p>	<p>After the systems librarian attended the Internet Librarian 2014 conference, it was decided by the LLRISP&S to redesign the library website using a WordPress responsive template.</p> <p>Working in collaboration with the Office of Campus Communications and the ASC, a division portal was built and all LLRISP&S areas will receive an updated look.</p> <p>After the website is</p>

					migrated to the new template, a QR code tour of the library will be designed.
<p>Action 1.1.23 The Library will develop library orientations for new students based on level of interest shown on Spring 2013 questionnaires.</p>	<p>Librarian time to create and distribute advertisements for the orientations.</p>	<p>Circulation Librarian.</p>	<p>Develop freshman library orientations for Fall 2013.</p>	<p>Develop new student orientations to give entering students' knowledge about library services that will help them succeed academically. Pass out short follow-up questionnaire to evaluate effectiveness of new orientations.</p>	<p>Based on post-orientation surveys, a librarian continues to offer fall session orientations, primarily overviews of library services for new students.</p>
<p>Action 1.1.24 The Library will assess its collections of basic skills print books based on an identified SLO.</p>	<p>Librarians' time to create surveys in print and online versions as well as to administer these to students.</p>	<p>Acquisitions and Catalog librarians will create and administer these surveys.</p> <p>All librarians will evaluate the results of the surveys.</p>	<p>Fall 2013: Create print and online surveys.</p> <p>Spring 2014: Administer surveys to students.</p> <p>Fall 2014: Evaluate results of surveys.</p> <p>Spring 2015: Update collections if survey results warrant and funds allow.</p>	<p>Improve content of the basic skills collections to better assist students with their school work.</p>	<p>In the spring of 2015, Academic Support provided additional funding for basic skills library print books, which the librarians spent to acquire these materials. Librarians are also generally updating the print book collection, including basic skills materials, to reflect the student survey finding that the library print book offerings</p>

					<p>are weak. Spending on print books was three times greater in the 2014-2015 academic year than in the 2013-2014 academic year. The acquisitions librarian presented for and participated in the November 2014 Young Adult Library Services Association Literature Symposium (via SDC funding), and coordinated with an English instructor to select several basic skills-appropriate YA titles to add to the print book collection. Following the upcoming mid-year collection evaluation, the librarians will again consider collection development opportunities.</p>
<p>Action 1.1.25 The Library will develop resource guides in selected subject areas.</p>	<p>Librarian time to create, distribute, market, assess, collect and analyze data, and implement changes.</p>	<p>Select librarians.</p>	<p>Fall 2013: Librarians will create at least one resource guide in their collection area and promote to department faculty.</p>	<p>Create greater awareness of library resources.</p>	<p>Twelve subject resource guides have been developed and posted to the library's website. Since the library is transitioning</p>

			<p>Librarians will send out feedback survey to faculty at the end of semester and track the number of page views. Librarians will analyze and discuss how to improve or strengthen guides and/or awareness of guides.</p> <p>Spring 2014: Librarians will create at least one resource guide in their collection area and promote to department faculty. Repeat assessment, analysis, and implementation of changes.</p> <p>Fall 2014: Librarians will create at least one resources guide in their collection areas and promote to dept. Repeat assessment, analysis, and implementation of changes.</p> <p>Spring 2015: Librarians will create at least one</p>		<p>its web presence to WordPress, the librarians are investigating more dynamic approaches to promoting library resources and reading for lifelong learning, i.e., Pinterest. New titles in subject areas are being posted to the site, linked from the library's website, and will be sent to faculty along with requests for book suggestions that will support their courses and underprepared students. The systems librarian also built subject guides for chemistry, theatre, and veterans.</p>

			resource guides in their collection area and promote to department faculty. Repeat assessment, analysis, and implementation of changes.		
Action 1.1.26 Library Technology will offer a section of LIB 100 F, Introduction to Research for Buena Park High School (BPHS) Students.	Course and transportation will be funded by the Fullerton Joint Union High School District (FJUHSD).	Dean of Library Technology and VPI	Spring 2014	A section of LIB 100 F for BPHS students will be offered Summer 2013. Students will be provided transportation to the college by the Fullerton Joint Union High School District (FJUHSD).	The BPHS partnership continues with two LIB 100 F classes offered for the students in summer 2015.
Action 1.1.27 The Academic Support Center – Skills Center will expand workshop resources	None requested	Skills Center Instructional Assistants Basic Skills	2013-2015: Create and deliver student and faculty surveys on effectiveness of workshops	Improve learning strategies, critical thinking, use of technology, and writing	Delivered a series of technology workshops through Fullerton College Staff Development designed to support faculty and students.
Action 1.1.28 The Academic Support Center – Skills Center will install Smart Classroom Technology.	Funded by Humanities	Academic Support Center Director and Academic Computing Technology	2013-2015: Purchase Equipment	Improve instruction Enhance workshops	Networked 30 laptop computers, placed them on a rechargeable cart, and utilized them in various programs: Humanities Division,

					Cosmetology, Incite, and SDSI.
INSTRUCTION					
<p>Action 1.1.29 The Office of Instruction will work with Faculty Senate to develop a pilot of courses to be offered at Buena Park High School (BPHS).</p>	<p>Course offerings will be funded by the Fullerton Joint Union High School District (FJUHSD).</p>	<p>VPI, FC/FJUHSD Work Group</p>	<p>Identify courses for pilot (Summer 2013 and/or Fall 2013). Work out processes and procedures (Summer 2013 and/or Fall 2013). Offer pilot courses (Fall 2013 or Spring 2014). Evaluate outcomes (Fall 2013 or Spring 2014). Make adjustments based on analysis; offer second set of courses (Spring 2014 or Fall 2015).</p>	<p>Fullerton College will offer a pilot of one or two courses at BPHS followed by a second set of courses in the subsequent semester.</p>	<p>This was completed.</p>
MATHEMATICS & COMPUTER SCIENCE					
<p>Action 1.1.30 The Mathematics and Computer Science Division will develop a series of boot camps or other interventions prior to the beginning of class to better prepare students for mathematics classes</p>	<p>Reassigned time and/or faculty stipends to develop the boot camps either on campus or online</p> <p>Materials to be used in the interventions, such as skill-building</p>	<p>Mathematics Faculty</p>	<p>Begin discussion in Fall 2013, with possible pilot in winter intersession January 2014</p> <p>Additional boot camps scheduled for 2014-2015.</p>	<p>Better prepared students in mathematics classes</p>	<p>Boot camps and study sessions were offered in summer of 2014, where 250 students participated in 21 sessions. In spring 2015, Student Equity funded 31 boot camps that served 426</p>

	software				students.
<p>Action 1.1.31 The Mathematics and Computer Science Division will continue to refine placement processes, including alternatives to the COMPASS test, better use of multiple measures, and the use of faculty advisors</p>	<p>Reassigned time and/or faculty stipends to work with Matriculation and Counseling</p> <p>Funds to potential purchase diagnostic software (such as My Math Test) and a dedicated Computer Lab in which to offer remediation and tutoring</p>	<p>Mathematics and Computer Science Division Dean and Mathematics Faculty</p> <p>Matriculation and Counseling</p>	<p>Ongoing. In conjunction with the results of the current Professional Learning Council, and the task force developed by the Student Success Committee</p>	<p>Better placement. Shorter pathways for students to move through the basic skills sequence</p>	<p>The division dean met with over 20 local high school students to use multiple measures in lieu of (or in conjunction with) the COMPASS test to provide guidance and placement.</p> <p>Faculty are investigating alternative software for in-class assessment</p>
<p>Action 1.1.32 The Mathematics and Computer Science Division will restructure curriculum into an intensive review of arithmetic (MATH 007 F), a redesigned MATH 015 F (Pre-Algebra) and MATH 020 F (Beginning Algebra)</p>	<p>None requested</p>	<p>Mathematics Faculty</p>	<p>MATH 007 F will be offered for the first time in Fall 2014. At that time MATH 015 F will have all prerequisites removed, and MATH 020 F will have MATH 015 F as an Advisory only</p>	<p>Only students who clearly show the need for intensive arithmetic instruction will be placed into MATH 007 F. MATH 015 F or MATH 020 F will serve as the “entry-level” course to the basic skills mathematics sequence</p>	<p>The re-structuring of the basic skills math curriculum is complete.</p>
NATURAL SCIENCES DIVISION					

<p>Action 1.1.33 The Natural Sciences Division will maintain and expand GPS2 (Guiding and Preparing Science, Technology, Engineering, and Math Students) efforts</p>	<p>STEM/GPS2 Coordinator Dedicated space for tutoring and support Supplies/Materials</p>	<p>Natural Sciences Division Dean and Faculty, Office of Special Programs</p>	<p>Ongoing, with expansion in 2013 – 2015</p>	<p>Students entering STEM courses will be better prepared and receive appropriate support</p>	<p>Activity was ongoing into 2014 – 2015.</p>
<p>Action 1.1.34 The Natural Sciences Division will continue the Maximizing Student Potential (MSP) program</p>	<p>Funds for the program</p>	<p>Natural Sciences Division Dean and Faculty, Office of Special Programs</p>	<p>Ongoing with expansion in 2013 – 2015</p>	<p>Increased advising and tutoring of STEM majors</p>	<p>The Division has a STEM faculty mentor program and regularly meets with majors to guide them on their science career path.</p>
<p>Action 1.1.35 The Natural Sciences Division will request a counselor trained to specialize in STEM majors and will participate in the development of STEM majors guides</p>	<p>None requested</p>	<p>Natural Sciences Division Dean, Counseling Division</p>	<p>Fall 2013 and beyond</p>	<p>Underprepared students will have a dedicated counselor with whom to discuss placement and other issues</p>	<p>STEM does provide specialized counselors to students in the STEM cohort.</p>
<p>Action 1.1.36 The Natural Sciences Division will research and examine methods to better prepare students for its curriculum</p>	<p>None requested</p>	<p>Natural Sciences Division Dean and Faculty</p>	<p>Incorporated into departmental 6-yr curriculum review cycle</p>	<p>Possible inclusion of prerequisites on various entry-level science courses</p>	<p>Ongoing.</p>

<p>Action 1.1.37 The Natural Sciences Division will implement a science-related orientation program</p>	<p>Budget for boot camp activities including faculty stipends and materials</p>	<p>Natural Sciences Division Dean and Faculty, Office of Special Programs</p>	<p>Summer 2014</p>	<p>Students better prepared for entry-level science courses</p>	<p>Abandoned for general science students, but students in the STEM cohort do receive extensive orientations.</p>

PHYSICAL EDUCATION

<p>Action 1.1.38 The Physical Education Division will expand the Incite Program for all student-athletes</p>	<p>Title III</p>	<p>Director of Academic Support Center; Tutoring Center Coordinator</p>	<p>Expand 2014-15</p>	<p>Improved academic success for student-athletes.</p>	<p>Beginning fall 2014, it was mandatory for all student-athletes to attend an orientation and enroll in the Incite program.</p> <p>Completed/Ongoing 2014-2015 – Identified space for student-athletes: Room 808A, Room 801C, Skills Center North and South Labs.</p> <p>Completed spring 2014 – Incite student-athletes attended two field trips.</p> <p>Completed / Ongoing - spring 2014 -- Data show that student-athletes who attend Incite study hall</p>
---	------------------	---	-----------------------	--	--

					<p>succeed at higher rates compared to student-athletes who do not participate in the program. The achievement gap between African-American and Hispanic student-athletes compared to Caucasian student-athletes is dramatically reduced when they attend study hall for at least nine hours per semester. Overall, the course success rates for African-American students participating in Incite was 64 percent compared to 50 percent for students that did not participate; the course success rates for Hispanic students participating in Incite was 72 percent compared to 63 percent for students that did not participate.</p>
--	--	--	--	--	---

<p>Action 1.1.39 The Physical Education Division will strengthen testing in core classes for student-athlete transfer.</p>	<p>Title III</p>	<p>Incite Director</p>	<p>2014-15</p>	<p>Improved academic success for student-athletes</p>	<p>In process. Working with Incite director through monthly meetings to collaborate on strategies to assist student athlete transfer. Data will be collected and analyzed with strategies to be implemented by fall 2016.</p>
<p>PUBLIC INFORMATION</p>					
<p>Action 1.1.40 The Public Information Office will publish a monthly, internal student newsletter highlighting the programs and services offered by the college.</p>	<p>Department budget</p>	<p>Public Information Officer Marketing & Outreach Assistant</p>	<p>2013-15</p>	<p>Increased awareness of resources available to underprepared students.</p>	<p>The President's Weekly has been in existence for numerous years for faculty and staff. However due to technical difficulties with the college's email server, students did not receive the newsletter until this past spring semester. In January 2015, the Office of Campus Communications team redesigned the newsletter and worked with information technology staff to</p>

					generate a distribution list of student emails. The newsletter is now sent from ConstantContact, not the internal email server. For the first time, the college's entire student body, composed of about 25,000 students began to receive the communication. In addition, the News Center launched in May 2015.

Students will receive immediate notification on their financial aid file by logging into their student portal. This will reduce student concerns from not receiving notification in a timely manner due to spam filters, etc.</p>	<p>This was rolled out in 2014-2015 and proved to be very effective, so it was continued. In spring 2015, email notification was added to the targeted announcements, and then put the job in the scheduler to run nightly as opposed to staff having to find time to run the job. For 2015-2016, the department is expanding this to include text messaging as students opt in, communicating with them in a</p>

Students are able to complete all FA paperwork online, without the need to come into the office. They may do so 24/7. Lines and phone call volume have decreased to negligible levels this year. The 2014-2015 went well after initial implementation issues. For 2015-2016, the remainder of the paper forms (dependency overrides, special conditions, and SAP appeals) are going live in the system.

Pass rates are tracked and recorded by the department office.</p>	<p>Staff members developed short quizzes. The staff coordinated with the Skills Center staff to provide a study hour to include the new quizzes and a testing bank from our textbooks was also included. These quizzes have been taken by some students. Students taking the state written examinations have improved but staff feel that it can be better. They will continue with this format but will also be more proactive in sending students that they feel will benefit from the study hour.</p>
